

BOT-ALL SQUARE

Description

Introducing the BOT-ALL Square, the one with Unique square shape. The double walled, vacuum insulated bottle with a twist on lid makes it air tight and hence retain temperature for long hours and ensures leak proof experience.

The Unique shape with powder coated finish gives it a firm grip to hold and carry. Ideal to carry to office, travel, picnic, etc. The eye-catching square design make's one stand out/ Class apart from the crowd. The bottle is made using Food grade, BPA Free 304 Stainless steel and is an absolute marvel.
