

## Table Clock With Pen Holder & Writing Pad

### Description

Include this clock with a pad and pen holder in the gifting items as part of the corporate gift items kit of your customers. It has a large analog clock display and it comes with a writing pad. The writing pad can be kept in the pad holder. There is also a pen holder. There is enough space on this product to print the logo of your company or any other branding. It can be kept on the workstation or at home as a tabletop. It is quite handy and elegant.
